Dear Valued Customer:

Due to a continued escalation of costs associated with TSA security regulations compliance, we are raising our security surcharge to \$0.11/lb based on chargeable weight effective June 1, 2014. The minimum charge of \$6.00 per air waybill will remain unchanged.

As always, shipments prescreened by a Certified Cargo Screening Facility will not be subject to the security surcharge.

Southwest Airlines Cargo appreciates your business, and we thank you in advance for your understanding and continued support.

Best regards,  
Southwest Airlines Cargo
